Message from the President

Hello Fellow Alumni,

Thank you for your continued commitment to our Alumni Chapter. We met our membership goal for the year.

Our goal was reaching thirteen paid members and we are now at 15 members including friends. As shared with you

there are at least thirty plus alumni within the Austin Metro Area. I believe that with all of our concerted efforts we can increase that number. Would not it be exciting to have 30 paid participating members in support of our university?

I was fortunate to be able to attend my first Southwest Regional Presidential Conference during the Founders Day Observation in April. More information will be shared with you later on in this newsletter. I really was impressed with the campus, it certainly looked better than it did when I was on campus.

Fellow Alums we need to seriously began to look at ways in which we can develop ongoing fundraising activity that can become a memorialize effort each year. This could also serve as a means of developing name recognition for our university in recruiting local students to matriculate there. Please invite any fellow alums that you are aware of to come join our efforts in support of the university.

Please come, join our efforts and help us to fulfill our vision as a chapter. Thank you for your commitment and May God bless each of you.

H. Ed Calahan, President

Local Chapter Update

What's hidden within this ferocious Lion's mane? Well, if you did not guess it, it is the letters **UAPB**.

Congratulations on the retirement of Alumnus **Dorothy E. Miller** from the **Round Rock Independent School District** after **21 years** of growing and developing young minds. Dorothy we appreciate all of your untiring efforts in your profession. Now, the Millers are planning and making many traveling plans.

We would like to welcome our newest Alumnus and friend to our chapter.

Mr. Joe Stewart and his wife **Mrs. Rose Stewart**. Unfortunately, we don't have a picture as of yet but will be trying to obtain one. I know Joe's class will be having their **Fiftieth Class Reunion** during this year **Homecoming Activities**.

Our chapter participated in the Southwest Regional Retreat, April 20-22, 2007 at the University during the 134th year Founders Day Activities. It was a first for the National Association and was met with some dissention among the National Board Members. However, during that National meeting, your chapter president was appointed as Chaplain for the National Board. Another first according to some of its members.

Chaplain Calahan will be conducting all invocations, except one, during the Summer Conference. He will also conduct the Annual Memorial Services.

Congratulations to Gary and Dorothy Miller who celebrated their Wedding Anniversary on June 7th. Also, **Andrew and Helen Johnson**, celebrated their's on June 8th.

We will not meet during the months of July and August. We look forward to seeing all of you at our **September 8, 2007** meeting.

We purchased and submitted the following Ad for the National Summer Conference Souvenir Booklet.
